We are encouraging the children to “sell” the *GOL Evangelism Soccer Balls* not only to church members but to relatives, neighbors, teachers, coaches & friends. There will be a fun competition among the boys & girls with a \$50 gift card to Wal-Mart for the child who *brings in the most money* and a \$50 gift card to the child who “sells” to the most people. The “SCORE” card is for the children to use to help explain the project. See \_\_\_\_\_ for more order forms. The project will continue through \_\_\_\_\_. What a great way for our children to give to the Church and a great way for them to see that they can make a huge impact for Jesus right now! Please encourage your child(ren) to participate in this life-changing project!
