

MISSIONS OFFERING POINTERS

1. Pray. Ask God to guide you.
2. Be specific about the need. Make certain the people know the purpose for the offering and the difference it will make.
3. Set a goal early. Make it both reachable and challenging.
4. Present the need in an interesting, appealing, clever way.
5. Assure the congregation that the offering will be used for that purpose only. (People won't give unless we are credible.)
6. Follow up. Track giving.
7. Remit all offerings in a timely manner.
8. Share results later—what was received, what it did, where it went.
9. Thank the people. Celebrate their faithfulness.
10. Above all, thank God.
