Memorial Golf Outing

Plan a golf outing in honor of someone special who passed away. Call your local golf course, and explain that you are trying to raise money for Medical Plan, which provides health coverage for Nazarene missionaries. Ask the course to reduce the green fees, or a charge special group rate. (Note: It may help if you have a church member who frequents the golf course make the call.)

Sell tickets for the John Smith Memorial Golf Outing, asking for donations of at least 10 dollars, in addition to the green fees, to attend the golf outing. Use the money raised to purchase memorial roll certificates for John Smith.

The Sunday following the event, present a plaque to the family which states "John Smith Memorial Golf Outing, and the date the event took place." During the presentation, state that the proceeds from the John Smith Memorial Golf Outing have purchased ___ memorial roll certificates to provide health care for Nazarene missionaries.
